

RSC Chemistry Biology Interface Division Awards Symposium
Wednesday 18 May 2011
University of Bristol

Lecture Theatre 2, 13:00 - 18.00

- | | |
|---------|--|
| 12:30pm | Arrival & Tea |
| 1:00pm | Professor Christopher Dobson – Khorana Prize Winner 2010
<i>New Approaches to Understanding and Preventing
Neurodegenerative Diseases</i> |
| 2:00pm | Dr Helen Hailes & Dr Paul Dalby – Rita and John Cornforth Award
Winners 2010
<i>Highlights from the Biocatalysis integrated with Chemistry and
Engineering (BiCE) Team</i> |
| 3:00pm | Tea & Coffee |
| 3:30pm | Professor Molly Stevens – Norman Heatley Award Winner 2010
<i>Engineering Nanomaterials for Biosensing and Regenerative Medicine</i> |
| 4:30pm | Professor Stephen Lippard – Centenary Prize Winner 2010
<i>Dioxygen Activation and Substrate Hydroxylation at Diiron Protein
Active Sites and Synthetic Carboxylate-Bridged Diiron Complexes</i> |
| 5:30pm | Drinks Reception |
