

Special Invitation to RSC Retired Members: Tuesday 26 April 2016 at 10.30h

Guided Tour of the Abbeydale Industrial Hamlets & Buffet Lunch

Venue: Abbeydale Industrial Hamlet, Abbeydale Road South, Sheffield S72QW

During our Tour we will see the last complete surviving Crucible Furnace in the UK, with demonstrations within the site's Forge Workers' Village. The Tilt Forge which was built in 1785 houses two massive Tilt Hammers driven by the site's main waterwheel. Abbeydale Works was once the largest water-powered Industrial Site on the River Sheaf.
