

ROYAL SOCIETY OF CHEMISTRY

MID SCOTLAND SECTION

TOP OF THE FIRM 2008

Leapark Hotel, Grangemouth – Thursday 23rd Oct 2008 – 7.00pm for 7.30pm

Following the outstanding success of this event over the past 4 years, we invite you to enter a team from your workplace for this year's competition. The format this year will be similar to last year with teams taking part in a series of activities designed to test ingenuity, practical skills, general knowledge, inventiveness and perhaps even a little chemical knowledge! However, this is not meant to be taken too seriously and we are looking forward to an evening of social conviviality and good fun. You do not need to be a post graduate chemist to take part!

The team ideally should be made up of 4 people with no restriction on age or sex but at least one should, if possible, be an RSC member. If you can not get a team together from your workplace but would like to come then it will be possible to make up some ad-hoc teams on the night. Similarly if you can only get 2 or 3 in the team still come and, if necessary, we can strengthen your team on the night.

It would be good if folk could arrive around 7.00pm or shortly afterwards to allow everyone to get to know each other (free drink from the bar). There will be a very short presentation from RSC HQ at 7.30pm. This will be followed by the competition and a hot buffet meal at 8.45pm. The presentation of the trophy etc will take place after this.

We are counting on you to get a team together so that SEPA do not win the trophy again this year making it 3 in a row! The maximum number of teams that we can accommodate is 12, so make sure that you get your entry in before all the spaces get taken.

Please complete the enclosed form and return it to me as soon as possible but no later than Friday 19th October so that we may finalise catering arrangements.

Regards

Terry Howe
Section Secretary

PLEASE PASS THIS ON TO SOMEONE ELSE IN YOUR WORKPLACE IF YOU ARE UNABLE TO TAKE PART.
