

## Route Information

The University takes its social responsibility and relations with the local community seriously and aims to reduce its impacts on the environment through its sustainability policies. Therefore, wherever feasible, you are encouraged to travel by sustainable means.

## By Rail

PICCADILLY STATION:

Head for the escalators to the left of the concourse, following the signs for Taxis/Fairfield Street. Immediately outside the station main entrance, turn right and cross London Road to the Bulls Head pub. Keeping the Bulls Head on your right walk down London Road and turn right again immediately after the railway viaduct, onto Altrincham Street. Continue straight ahead and to your left you will see the Barnes Wallis Building/Harwood; the conference entrance is on the left next to a large red sculpture of a magnet. This is a shared building so it is important that you use this entrance.

OXFORD ROAD STATION:

At the bottom of the station approach, cross over Oxford St into Whitworth St (to the right of the Palace Theatre). Turn right before the University's Sackville Street Building and continue along Sackville St. Proceed under the railway viaduct, turn left immediately before the Gatehouse and continue along the pedestrian walkway. Continue past the Renold Building. For the Barnes Wallis Building stay on the upper level and the next building on your right is the Barnes Wallis Building, with the conference entrance located next to a large red sculpture of a magnet.

VICTORIA STATION:

Take the MetroLink Tram to Piccadilly Rail Station. Exit to the street at platform level following signs for 'taxi' and continue directions as for PICCADILLY STATION.
