International Symposium on Inorganic Chemistry Frontiers and Interdisciplinary Sciences

Introduction

Inorganic Chemistry Frontiers International Symposia are a series of conferences sponsored by Inorganic Chemistry Frontiers, a collaborative journal developed by the Chinese Chemical Society, Peking University and the Royal Society of Chemistry. Meeting this year is financially supported and organized by Inorganic Chemistry Frontiers and the Key Laboratory of Advanced Energy Materials Chemistry, Ministry of Education in Nankai University

Speakers (报告人):

Fangyi Cheng (程方益 南开大学)
Nankai University, China

Paula Diaconescu
University of California, United States

Tong-Bu Lu (鲁统部 天津理工大学)
Tianjin University of Technology, China

Yi Lu
University of Illinois, United States

John E. McGrady
University of Oxford, United Kingdom

Hiroki Oshio
University of Tsukuba, Japan

Oleg V Ozerov
Texas A&M University, United States

Xianran Xing (邢献然 北京科技大学)
University of Science and Technology
Beijing, China

Shu-Hong Yu (俞书宏 中国科技大学)
University of Science and Technology
of China, China

Zhiping Zheng (郑智平 南方科技大学)
Southern University of Science and
Technology, China

Chair (主席)

Jun Chen
(陈军, 南开大学)
Nankai University, China

Key dates (重要日期)

Registration deadline:
12 September 2019

**Submit and
register now**
