

RSC Organic Division

South-West Regional Meeting 17th May 2023

Madejski Lecture Theatre, School of Agriculture (Building 59), University of Reading

9.30–10.15 Registration & Refreshments (1L04)

Session 1 (Madejski Lecture Theatre): Chaired by Dr John Mckendrick (University of Reading)

10.15–10.30 **Welcome**

10.30–11.00 **Professor Jonathan Burton** (University of Oxford)

Adventures in natural product chemistry

11.00–11.30 **Dr Gregory Perry** (University of Southampton)

Dual-Function Reagents for Carboxylation

11.30–12.00 **Dr Sarah Allman** (University of Reading)

Integrating workflows for the structural and functional analysis of carbohydrates

12.00–13.30 Lunch (1L04) & Poster Session (1L08). Poster judging from 12.30.

Session 2 (Madejski Lecture Theatre): Chaired by Dr Chris Smith (University of Reading)

13.30–14.00 **Dr Josh Tibbetts** (University of Bath)

Building a Terpene-Based Biorefinery

14.00–14.30 **Dr Beatrice Collins** (University of Bristol)

Iterative C-H Functionalisation for Processive Directionally Sequential Catalysis

14.30–15.00 **Dr Guto Rhys** (Cardiff University)

Exploring new folds and functions based on polypeptides

15.00–16.00 Coffee (1L04). Poster judging from 15.30.

Session 3 (Madejski Lecture Theatre): Chaired by Professor Laurence Harwood (University of Reading)

Hickinbottom Award Prize Lecture

16.00–17.00 **Dr Louis Morrill** (Cardiff University)

Sustainable Methodologies for Synthesis

17.00–17.15 Closing remarks and poster prizes (Madejski Lecture Theatre)
