

# SCS 3rd Scientific Colloquium Spring - 2025

## Conference Aim

The conference aims to focus at novelties in various fields of material science and chemistry but not limited to:

- Advanced Materials
- Renewable & Sustainable Energy
- Nano-Science & Technology
- Climate & Environmental Studies.
- Material Synthesis (Organic & Inorganic)

## Objectives

The Scientific Colloquium Spring-2025 aims to provide a platform for national and international researchers to share and discuss the latest developments in various fields of chemistry, including advanced materials, climate studies, renewable energy, catalysis, nanotechnology, and synthesis and characterization techniques. The conference will feature general sessions, concurrent sessions, and poster presentations. Experts from universities, research institutions, academia, and industries in Pakistan and abroad will present their research and share their experiences in:

Advanced Materials  
Climate & Environmental Studies  
Renewable & Sustainable Energy  
Synthetic Techniques

Organized by Government Graduate College Jhelum, this is the 3rd event of its kind, promising a comprehensive and engaging experience for all participants.

& Chemical Society of Pakistan

**Patron-in-Chief**  
**Dr. M. Bilal Khan**  
Senior Fellow NUST  
VC. University of Chakwal

**Patron**  
Principal GGC Jhelum

**Chief Organizer & Organizing Secretary**  
**Dr. Shahid Saeed Qureshi**

## International Speakers

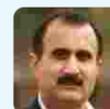

- 1- Dr. Walther O'donoghue Schwarzacher  
Professor of Physics  
University of Bristol UK, LUMS PAK.
- 2- Dr. Xin JIANG  
University of Siegen Germany
- 3- Dr. Muhammad Ashraf Gondal  
KFUPM. Saudi Arabia (online)

**Dr. Hameed Ullah & Dr. Akif Zeb**  
University of Siegen, Germany

## Plenary Lectures

- 1- Dr. N M Butt SI  
Chairman, Professor of Nanoscience & Technology, Preston University Islamabad
- 2- Dr. Irshad Hussain  
Professor Founding Chairman  
SBA School of Science & Engineering  
LUMS Lahore
- 3- Dr. Shahid Hameed  
Dean Natural Sciences QAU
- 4- Dr. Syed Tufail Hussain Shah  
Sindh University Jamshoro
- 5- Dr. Adeel Waqas
