30<sup>th</sup> ANNUAL CONFERENCE OF THE EUROPEAN SOCIETY FOR BIOMATERIALS  
TOGETHER WITH THE 26<sup>th</sup> ANNUAL CONFERENCE OF THE GERMAN SOCIETY FOR BIOMATERIALS (DGBM)

9 – 13 September 2019 Dresden

## CALL FOR ABSTRACTS

Dear colleagues, dear friends!

We are pleased to inform you that abstract submission for the **ESB 2019** is now available on the website [www.esb2019.org](http://www.esb2019.org)

The 30<sup>th</sup> Annual Conference of the European Society for Biomaterials in tandem with the 26<sup>th</sup> Annual Conference of the German Society for Biomaterials (DGBM) will take place in Dresden, Germany from 9.-13. September 2019.

The conference will cover all aspects of biomaterial research. We will bring together researchers from both life sciences and engineering, clinicians and company representatives to provide an effective environment for stimulating exchange and discussions. The German Society for Biomaterials (DGBM) has decided to not organise a separate meeting this year and therefore both conferences will be combined, providing a comprehensive insight in biomaterials research in Germany.

The ESB 2019 Organizing and Scientific Committees cordially invite you to join us on this occasion and warmly welcome all novel contributions for poster and oral presentations.

The abstract submission deadline is **Friday, March 15, 2019, 23:55:00 CET**.  
Author notifications will be sent in May 2019.

Registration deadline for selected abstract presenters: **before June 1st, 2019**

Call for last minute abstracts (poster presentation only): **May 5, 2019**

There will be a call for last-minute abstracts for poster presentations only, which will be opened in April 2019 and close on May 5, 2019, 23:55:00 CET. Please refer to the web pages and mailings for updates.

Updated information about the congress is always available online at [www.esb2019.org](http://www.esb2019.org)
