

24-25 October 2015

Roche Training Center, Shanghai, China

3rd Roche and RSC Chemistry Symposium on Leading Science for Drug Discovery

Themes

Synthetic organic chemistry

Drug discovery

Medicinal chemistry

Structural Biology

Speakers

Jeffrey Bode

ETH Zurich, Switzerland

Veronique Gouverneur

University of Oxford, United Kingdom

Aiwen Lei

Wuhan University, China

Xiaoguang Lei

Peking University, China

Ang Li

Shanghai Institute of Organic Chemistry,
CAS, China

Yingfang Liu

Institute of Biophysics, CAS, China

Keiji Maruoka

Kyoto University, Japan

Chris Meier

University of Hamburg, Germany

Peter Meinke

Merck Research Laboratories, Shanghai,
China

Henrik Ørum

Roche Innovation Center Copenhagen,
Denmark

Zhengying Pan

Shenzhen Graduate School, Peking
University, China

Zhangjie Shi

Peking University, China

Xuefei Tan

Roche Innovation Center Shanghai, China

Wensheng Wei

Peking University, China

Paul Wender

Stanford University, United States

Chair

Hong Shen

Roche Innovation Center Shanghai, China

Final registration deadline

28 September 2015
