

# The Oxford Chemical Immunology

Conference 2016

Join us at the first conference connecting molecular immunology and chemical biology

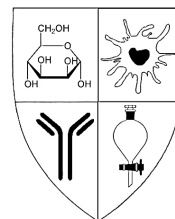

4-5<sup>th</sup> April  
Keble College  
Oxford

Speakers:

Prof. Stella Knight  
Prof. Carl G. Figdor (TBC)  
Prof. Martin Bachmann  
Prof. Quentin Sattentau  
Prof. Francesco Berti  
Prof. Yvette van Kooyk  
Prof. Paul J. Lehner

Prof. Antonio Lanzavecchia  
Prof. Mark J. Mamula  
Prof. Simon J. Davis  
Dr. Aaron Esser-Kahn  
Dr. Celia R. Berkens  
Dr. Sander van Kasteren  
Dr. Ann. L. White  
Dr. Amin Moghaddam

Abstracts for posters and presentations will be called for.  
All delegates are invited to the Banquet Dinner in the  
Great Hall of Keble College.

Go to [www.oxchemimm.chem.ox.ac.uk](http://www.oxchemimm.chem.ox.ac.uk) to sign up to our email list  
or visit [www.facebook.com/ChemImmGuild](https://www.facebook.com/ChemImmGuild)

# Chemical Immunology

Graphical program of sessions

## Innovation Vaccination

*Prof. M. Bachmann*

*Prof. F. Berti*

## Unmasking the foe within

Cancer immune therapy

*Prof. C. Figdor (TBC)*

*Dr. A. L. White*

## Do you feel me?

Immune molecular recognition

*Prof. S. Knight*

*Prof. P. Lehner*

*Dr A. Esser-Kahn*

## You've changed

How post-translational modifications trigger auto-immune responses

*Prof M. Mamula*

## Not just anybody

Antibody therapies

*Prof. Q. Sattentau*

*Prof. A. Lanzavecchia*

## Sweet talk

Glycosylation and glycation in immune stimulation

*Prof. Y. van Kooyk*

*Dr. A. Moghaddam*

## You are what you eat

Lymphocyte metabolism and roles in disease

*Dr. C. R. Berkers*

## Hearing you loud and clear

Signal transduction

*Dr. M. Thome*

## Glad to see you

Antigen presentation mechanisms and receptor interactions

*Prof. S. Davis*

*Dr. S. van Kasteren*
