

Structure and Dynamics in the Solid State

University of Kent
June 25th 2010

A meeting in honour of
Professor Alan Chadwick

This one-day symposium, organised by the School of Physical Sciences to celebrate the career of Professor Alan Chadwick, will be held at Canterbury Cathedral. Invited speakers include:

Professor C. R. A. Catlow
University College London

Professor M. S. Islam
University of Bath

Dr. R. A. Jackson
Keele University

Professor J. F. W. Mosselmans
Diamond Light Source

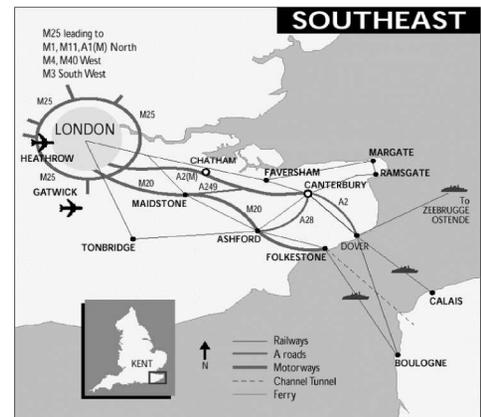

Professor M. E. Smith
University of Warwick

Professor P. Knauth
Université de Provence, CNRS

Professor J. L. Tirado
Universidad de Córdoba

Professor S. C. Parker
University of Bath

Early registration for this event is £60 (before June 1; £80 thereafter), dinner costs £45 and accommodation costs £49 per night. Further details are available on our website, <http://www.kent.ac.uk/physical-sciences/> or you can find us on Facebook (Structure and Dynamics in the Solid State group). We look forward to welcoming you to Canterbury!

Canterbury is one hour by high speed train from St. Pancras International Station, London
