

# **36th Scottish Regional Meeting of the Organic Division of the Royal Society of Chemistry**

Department of Chemistry, University of Glasgow  
Wednesday 19th December 2007

Speakers from Scottish chemistry departments and a  
plenary lecture by

**Professor E. M. Carreira (ETH, Zürich)**  
**"Discovery and Surprises with Small Molecules"**

The conference is free to all scientists, and it will be held in the Main Lecture Theatre, Joseph Black Chemistry Building (B4). For information on how to get there, go to:  
**<http://www.gla.ac.uk>**

Refreshments: teas and coffees during the morning and afternoon breaks will be provided free. Lunches must be booked and paid for in advance. Similarly, attendance of the conference dinner must be booked and paid for in advance. For booking details, please contact the organisers:

Prof. Stephen Clark ([stephenc@chem.gla.ac.uk](mailto:stephenc@chem.gla.ac.uk))

Dr Richard Hartley ([richh@chem.gla.ac.uk](mailto:richh@chem.gla.ac.uk))
