October 2007

Dear Member

On the Mid-Scotland Section programme which you should have, you will notice the date for this year's Annual Retired Members Christmas lunch. The time for checking your availability to attend this enjoyable and popular annual event has arrived. These lunches have been well attended in the past and last year was again of exceptionally high quality in a convivial atmosphere. So following on from the previous successes, on behalf of the Mid Scotland Section Trust Committee of the Royal Society of Chemistry, I would like to invite you and your partner, to this year's lunch, again at **Forth Valley College** (previously called Falkirk College) **Training Restaurant on Thursday 13<sup>th</sup> December at 1145 sharp for starting at 1200 hours.** By popular demand the venue has not changed.

Last years changes have become necessary again this year, arising from increasing cost and popularity of this social event; a subsidized cost of £7.50 per person attending and speedy reply is requested, if you intend coming since a maximum of only 40 places has been booked. In order that I may finalise the precise numbers up to 40, attending the Christmas lunch, I would be most grateful if you would complete the tear off slip below and return it to me as soon as it is convenient but **no later than Monday 5<sup>th</sup> November.** If you want to register your intention to attend before sending in the tear off slip, then please email me asap. Thank you in anticipation.

Yours faithfully on behalf of the Mid-Scotland Section Trust Committee,

Martin
