

POSTGRAD SYMPOSIUM XIII

Friday 13th December 2019

Biological and Medicinal Chemistry Symposium for postgraduates

The **Biological and Medicinal Chemistry Sector (BMCS)** of the RSC will be hosting its thirteenth postgraduate symposium for PhD students and postdoctoral workers researching in biological or medicinal chemistry and related areas. The event will be held in the **Department of Chemistry at the University of Cambridge** on **Friday 13th December 2019**. Researchers working in these areas are invited to participate.

Registration will start at 9:00 am with talks beginning at 10:00 am. The day will consist of 11 oral presentations (8 student and 3 keynote) plus a Flash Poster section. Each 20 minute student talk will be followed by 10 minutes for questions.

Throughout the day there will be keynote talks from industrial and academic chemists. A buffet lunch will be provided to accompany the poster session.

The BMCS judges will be awarding prizes to participants. There will be prizes of **£500** for the best oral presentation and of **£250** for the best poster. These will be celebrated at the end of the day.

If you are interested in presenting your relevant PhD or post-doctoral work please submit a half-page abstract by **23rd September 2019** in addition to registering. Those selected by the BMCS committee to give oral presentations will be notified by 28th October. Travel expenses will be reimbursed to speakers.

Submit abstracts to:

Dr. Dave Alker
dave.alker@btinternet.com

This event is **FREE** but all attendees should register as soon as possible and no later than the **6th December 2019**.
