Wolfson Lecture Theatre, Department of Chemistry, University of Cambridge

**CLOSING DATE FOR ABSTRACTS: 30th September 2011**

The **Biological and Medicinal Chemistry Sector (BMCS)** of the RSC is hosting its fifth postgraduate symposium for PhD and postdoctoral students working in biological or medicinal chemistry and related areas. The symposium will be held in the **Department of Chemistry** at the **University of Cambridge** on **Friday 9th December 2011**. Students working in these areas from any UK university are invited to participate.

Registration will start at 9:00 am with talks beginning at 10 am. The day will consist of 9 oral (student) presentations plus talks from our keynote speakers from industry and academia.

*Guest Speakers*

**Malcolm Weir**

*Heptares*

**Tom Heightman**

*Astex Therapeutics*

**Paul O'Neill**

*University of Liverpool*

A free buffet will be provided during the lunchtime poster session. The BMCS will award one prize of **£250** for the best oral presentation and a prize of **£100** for the best poster. These will be presented at the end of the day during the Wine Mixer sponsored by Mid Anglia RSC.

If you are interested in presenting your relevant PhD or post-doctoral work submit a half-page abstract by **30th September 2011** along with your registration form.

Those selected by the BMCS committee to give oral presentations will be notified by 14th October. Travel expenses will be reimbursed to speakers. This event is **FREE** but you must register no later than by **1st December** by email to: **Dave Alker** [dave.alker@btinternet.com](mailto:dave.alker@btinternet.com).
