# 25th International Symposium Synthesis in Organic Chemistry

17–20 July 2017, Oxford, UK

The Synthesis in Organic Chemistry conference is a flagship event for the international organic chemistry community.

The Synthesis in Organic Chemistry Symposium traditionally provides an international showcase for the core area of organic chemistry – synthesis – covering all aspects of contemporary organic synthesis and providing a forum for the ever more exciting methodologies and strategies that continue to emerge.

Approx. delegate numbers: 250
