

EWOC EUROPE

Empowering Women in Organic Chemistry

Thursday 15 June 2023
Manchester Conference Centre, Manchester

Provisional Programme

- 08.30 - 9.00 **Registration and coffee**
- 09.00 - 9.15 **Welcome and Introduction**
Dr Claire Francis, Scientific Update
- 09.15 - 10.00 **Talk 1: Anne O’Kearney-McMullan, AstraZeneca, UK**
My Adventures in Science and Continuous Processing
- 10.00 - 10.45 **Talk 2: Professor Mónica H. Pérez-Temprano, ICIQ, Spain**
Synergistic Cooperation between Mechanistic Investigations and Catalysis: Towards Rational Design
- 10.45 - 11.15 **Coffee & Networking**
- 11.15 - 12.00 **Motivational Workshop 1 - Hannah Roberts**
“Accelerating Careers Designed for Fulfilment”
- 12.00 - 13:00 **Young Chemist Talks (4 x 15 mins) - 2 academics, 2 industrial**
- 13.00 - 13.45 **Lunch Buffet & Networking**
- 13.45 - 14.30 **Motivational Workshop 2 - Hannah Roberts**
“Moving Beyond Imposter Syndrome”
- 14.30 - 15.15 **Talk 3: Professor Natalie Fey, University of Bristol, UK**
Leveraging Data in Organometallic Catalysis
- 15.15- 16.45 **Posters + Afternoon tea break + Networking + Marketplace**
- Meet our Supporters:**
Career clinic | One-to-one advise | Meet our contributors
- 16.45 - 17.30 **Talk 4: Dr Katherine Wheelhouse, GlaxoSmithKline, UK**
Adventures in Catalysis
- 17.30 - 17.45 **Concluding Remarks followed by Poster Prize Session + Networking**
Dr David Ennis, AstraZeneca, UK
- 18.30 **Close of Event**
