

**ROYAL SOCIETY OF CHEMISTRY  
ENVIRONMENTAL CHEMISTRY GROUP**

**Contaminated Land: Contaminant Transport and Fate**

*“Exploring contaminant transport and fate in soil and groundwater with respect to contaminated land.”*

To be held at the Council Room, Royal Society of Chemistry, Burlington House,  
Piccadilly, London W1J 0BA on Wednesday 23rd September 2009.

**Preliminary Programme**

10:00-10:30	<b>Registration and coffee</b> <i>Hinshelwood room</i>
<b>Session 1</b>	
10:30-11:15	<b>Professor Andrew Hursthouse,</b> University of West of Scotland <i>Contaminated land regulation: science-policy issues and pollutant dynamics</i>
11:15 - 12:00	<b>Professor Steven Banwart,</b> University of Sheffield <i>Novel laboratory methods to study reactive transport of organic pollutants in groundwater</i>
12:00 - 12:45	<b>Lunch</b> <i>Hinshelwood room</i>
<b>Session 2</b>	
12:45 - 13:30	<b>Mr Ian Martin,</b> Environment Agency <i>Importance of chemical properties in estimating exposure</i>
13:30 - 14:15	<b>Dr Mike Rivett,</b> University of Birmingham <i>The legacy of chlorinated solvents in contaminated land and groundwater</i>
14:15 - 14:35	<b>Coffee and tea</b> <i>Hinshelwood room</i>
14:35 -15:20	<b>Dr David Werner,</b> University of Newcastle <i>Persistent organic contaminant availability in sediment: Improved risk assessment and novel remediation approaches</i>
15:20 - 16:00	<b>Discussion and questions to speakers</b>
16:00	<b>Meeting close</b>

**ROYAL SOCIETY OF CHEMISTRY  
ENVIRONMENTAL CHEMISTRY GROUP**

**Contaminated Land: Contaminant Transport and Fate**

*“Exploring contaminant fate and transport in soil and groundwater with respect to contaminated land.”*

Fee per delegate:

**£100** – non-Environmental Chemistry Group (ECG) member

**£50** – Environmental Chemistry Group member

**£40** – RSC student member

**The registration closing date is the 03 July 2009.**

Admission is by ticket only and places are limited so please contact James Lymer at [jlymer@wardell-armstrong.com](mailto:jlymer@wardell-armstrong.com) (Wardell Armstrong LLP) initially to notify your interest in registering for the event. If places are still available then details of where to send the registration slip below and cheque payment will be provided. For RSC members please provide your membership number in any correspondence.

Upon receipt of the registration slip and cheque payment, delegates will become registered for the event. Delegates may cancel their place at any time up to 3 weeks after the closing date and receive a 75% refund. After this time no refund is available to delegates for cancellations or non-attendance.

This event is supported by the **Environment, Sustainability and Energy Forum** of the Royal Society of Chemistry.

**Contaminated Land: Contaminant Transport and Fate, 23<sup>rd</sup> September 2009**

Please complete all the details below:

Full name:

Employment Address:

Email address:

Daytime telephone:

I enclose a cheque for (please tick the box as appropriate):

RSC Student Member (£40)

RSC ECG Member (£50)

Non-ECG Member (£100)

RSC Membership number (if applicable):

Cheques are to be made payable to the *RSC Environmental Chemistry Group*.
