

**RSC Organic Division Awards Symposium**  
**Wednesday 30 March 2011**  
**Loughborough University**

**Timetable**

- 2.00-2.50:** Darren Dixon, (Catalysis in Organic Chemistry Award for 2010)  
*'Catalysis and Cascades in Complex Alkaloid Natural Product Synthesis'*
- 2.50-3.40:** Jonathan Ellman, (Pedler Award for 2010)  
*'Development and Applications of Transformative Carbon-Carbon Bond Forming Reactions'*
- 3.40-4.10** Refreshment break
- 4.10-5.00** Andrei Malkov,  
*'Silicon Reagents in Asymmetric Synthesis and Catalysis'*
- 5.00-5.50** Dean Toste, (Merck Award for 2010)  
*'Catalysts and Concepts for Enantioselective Additions to Carbon-Carbon Multiple Bonds'*
- 5.50** Wine reception
