

University of Brighton

RSC | Advancing the
Chemical Sciences

The University of Brighton and The Royal Society of Chemistry proudly announce

The even bigger bang!

Wednesday 12 December 2007 at the Brighton Dome
1.30pm matinee and 7pm evening shows

An explosive, colourful and fun science show
demonstrating the power of chemistry

Hosted by **Dr Hal Sosabowski** from the **University of Brighton**
and **'The Doc'** from **ITV's Ministry of Mayhem**

Bigger, better
and blitzier
than last year's
sell-out
science-fest!

SIGMA-ALDRICH™

Also with thanks to Fisher Scientific UK

School group bookings Discounts available (10 per cent off parties of 10 or more). Assistance with coach parking provided. A small number of modest grants may be available to qualifying schools – enquire for details.

Family tickets available at £21 (four entrants).
