

► **CIC IN SHORT**

“**Chemistry-Information-Computer (CIC)**” is a division of the Gesellschaft Deutscher Chemiker e.V. covering all aspects of computer-based generation, processing and documentation of information and knowledge in chemistry. Founded in 1982, CIC brings together scientists from various disciplines to foster and propel development and applications in this field, with particular emphasis on

- the annual German Conference on Chemoinformatics (CIC-Workshop)
- promotion of chemoinformatics, computational chemistry and chemical information as part of the curriculum at universities and higher teaching institutions
- support of working groups on particular aspects of interest to CIC
- organizing courses on CIC working methods and techniques
- promoting cooperation and knowledge exchange between universities and industry
- supporting the open source idea for the development of chemistry software in the academic environment
- fostering the relationship between international institutions working in this field

► **SPONSOR**

We appreciate as main conference sponsor:  
Bayer Business Services, Leverkusen

► **ACCOMMODATION**

Goslar is located at the heart of Germany and famous for its ore mine (UNESCO World Heritage Site) and its old town. The conference hotel “Der Achtermann” is within 3 minutes walking distance from Goslar main station. The hotel provides accommodation for all participants in single (from € 58,- to € 88,- per room/night) or double bed rooms (from € 93,- to € 123,- per room/night).

## 4. GERMAN CONFERENCE ON CHEMOINFORMATICS

November 9 – 11, 2008  
Goslar, Germany

### 22. CIC-Workshop 2008

GDCh-Fachgruppe  
Chemie – Information –  
Computer

## INVITATION

The division Chemistry-Information-Computer (CIC) of Gesellschaft Deutscher Chemiker e.V. (German Chemical Society) cordially invites you to participate in the

### 4. German Conference on Chemoinformatics 22. CIC-Workshop 2008

November 9 – 11, 2008, Goslar

#### VENUE

Hotel Der Achtermann, Rosentorstraße 20, D-38640 Goslar

#### AIM OF THE CONFERENCE

In the spirit of previous meetings organised by the Chemistry-Information-Computer division of Gesellschaft Deutscher Chemiker e.V., the topics of our international symposium will span a wide range of contributions related to computer aided processes in chemistry, and to chemical information. We wish to attract both industrial and academic scientists in this field. The scientific programme will include plenary lectures as well as presentation of posters, projects and software. The conference language is English.

#### INVITED SPEAKERS

|                      |                                     |
|----------------------|-------------------------------------|
| Jürgen Bajorath      | University of Bonn/D                |
| Michael Berthold     | University of Konstanz/D            |
| Marcus Elstner       | University of Braunschweig/D        |
| Robert Glen          | Cambridge University/GB             |
| Kurt Varmuza         | Technical University of Vienna/A    |
| Brian Andrew Vickery | Chemistry Central Journal London/GB |

#### FREE SOFTWARE SESSION AND MARKETPLACE

On Sunday, November 9, a free-software session with tutorials on a number of open source projects in chemoinformatics will be offered in combination with a business marketplace, where chemoinformatic vendors will have the opportunity to present their products.

#### EXHIBITION

Companies interested to exhibit, please contact Dr. Frank Oellien (Frank.Oellien@intervet.com) for more information.

| A. Zielesny    | Recklinghausen                   |

#### TOPICS

- Chemoinformatics and Drug Development
- Chemical Information
- Molecular Modeling
- Computational Material Science and Nanotechnology

#### ORAL CONTRIBUTIONS AND POSTERS

Please submit your scientific contribution exclusively via internet at

[www.gdch.de/gcc2008](http://www.gdch.de/gcc2008)

A sample abstract is to be found on this website. No revisions or corrections will be made by the scientific committee.

After a successful transmission you will receive a reference code for each submitted paper and a few days later a confirmation of receipt. In case you should not have received this confirmation after two weeks please contact [tgonline@gdch.de](mailto:tgonline@gdch.de) and indicate the reference code of your paper.

The scientific committee reserves the right to accept or reject papers, and to assign them to oral or poster contribution.

By submitting an abstract (oral, poster) for the 4. German Conference on Chemoinformatics, authors agree to the publication of the submitted abstract as a supplement in the open access journal "The Chemistry Central Journal".

## INVITATION

#### SCHOLARSHIPS

It is planned to offer scholarships to a limited number of students, candidates for doctor's, diploma's, bachelor's and master's degree presenting a scientific contribution (main author of an oral contribution or poster). Please send your application to GDCh until **August 20, 2008**, latest.

The form is to be found at [www.gdch.de/stipendien](http://www.gdch.de/stipendien)

#### POSTER AWARD

Prizes will be awarded for the three best posters.

#### FIZ-CHEMIE-BERLIN AWARD

We invite to apply for the CIC award which is sponsored by FIZ CHEMIE Berlin for excellent diploma and doctoral theses within the period of summer 2007 – summer 2008.

Details are published on the CIC-website [www.gdch.de/cic](http://www.gdch.de/cic)

#### GENERAL MEETING

The General Meeting of the division Chemistry-Information-Computer of Gesellschaft Deutscher Chemiker e.V will take place on November 10, 2008 at 16:00 hrs.

#### ONLINE-NEWS-LIST

To obtain the second circular, please register at the online-news-list at [www.gdch.de/gcc2008](http://www.gdch.de/gcc2008)

(Members of the CIC-division will receive the second circular automatically.)
