

Take a look inside NPL

The instrument above can identify and image chemicals on surfaces. Discover how this works, why it is useful and explore over 35 additional facilities at NPL.

20 May is World Metrology Day, a celebration of measurement, making it the perfect day to visit the UK's National Measurement Institute.

NPL Open House

Tuesday 20 May 2014
from 2pm to 8pm

At the National Physical Laboratory (NPL),
Hampton Road, Teddington TW11 0LW.

Come and see our laboratories, meet our scientists
and be amazed!

All are welcome (it's free) but **registration is essential**.
For more information and to register:

www.npl.co.uk/openhouse

How to find us

National Physical Laboratory

Hampton Road
Teddington
Middlesex
United Kingdom
TW11 0LW

Public Transport

By Rail,
Teddington Station
20 minutes walk to NPL.

By Air
Heathrow Airport
Bus 285 travels to

Teddington and stops outside NPL.
Bus X26 is faster and stops at
Broad Street, a short walk from
NPL. Or take a taxi, approximately
30 minutes to Teddington.

Buses.
Teddington is well served
by buses from Heathrow, Kingston,
Twickenham and Richmond
(285, X26, 281, R68 and 33).

There are also a limited number of car parking spaces available, so if you do wish to travel by car please let us know when you register.

Please note

While children are more than welcome, the exhibits are not particularly aimed at those under 10 years old, and children must be kept under adult supervision at all times. As a working laboratory, we are unable to accommodate buggies/prams within the building and not all facilities are accessible to wheelchair users.

10737/0114

The National Physical Laboratory is operated on behalf of the National Measurement Office, Department for Business, Innovation and Skills by NPL Management Limited, a wholly owned subsidiary of Serco plc.
