

ICCST-12

International Conference on the Chemistry of Selenium and Tellurium

22. – 26. July 2013

Cardiff University
Cardiff, Wales, UK

It is our great pleasure to announce and welcome you to the International Conference on the Chemistry of Selenium and Tellurium (ICCST-12), which will be held in Cardiff from 22.-26. July 2013.

ICCST is a well-established conference dealing with all aspects of the chemistry involving selenium and tellurium.

The online registration and the call for abstracts will open soon. For more information, please consult the conference website at:

<http://www.cf.ac.uk/iccst12/>
