5th November 2024

To:

**Water Industry
Professionals**

Through,

Dear Sir/Madam,

**RE: INVITATION TO KENYA CHEMICAL SOCIETY SYMPOSIUM & EXPO ON
WATER RECYCLING IN NOVEMBER 2025.**

On behalf of the Kenya Chemical Society, I am happy to invite you to a symposium and expo on water recycling, scheduled for 14th November 2025, at Park Inn by Radisson in Westlands Nairobi.

The event will feature a collaborative discussion facilitated by experts in the field, focusing on the latest market solutions for water recycling. Our target audience includes professionals in water treatment plants and solution providers specializing in wastewater treatment. The symposium will provide a platform for debate and exhibition, offering practical insights into the industry's best practices.

Kindly find attached the event poster and details on participation costs. We

look forward to welcoming you to this informative and engaging event.

Prof. Austin Ochieng,
National Secretary, Kenya
Chemical Society
