

SCI Electrochemistry Postgraduate Conference in partnership with ISE & RSC

26th May 2016

Sponsored by:

Electrochemistry
Group

Call for Presentations and Posters

We cordially invite postgraduate students working in the field of electrochemistry to present their research to fellow students and academics on Thursday 26th May 2016 in the Department of Chemistry, University College London.

The conference provides a unique networking opportunity for attendees to connect with researchers with a shared interest in electrochemistry in a friendly atmosphere.

Abstract submission and registration is now open. Please visit our website for more details. Event is free to attend but places are limited, so please register today.

Conference commences:
26th May 2016

Venue:
Department of Chemistry
University College London
WC1H 0AJ

**Abstract submission
& registration deadline:**
18th May 2016

**Notification of
acceptance to presenters:**
20th May 2016
