

SCHOOL POSTER COMPETITION

Theme: The Chemistry of Protein Shakes

Age range: 14-18

Criteria:

1. The poster must focus on the theme 'The Chemistry of Protein Shakes'.
2. An A3/A4-sized poster can be submitted by 1-3 students from the same UK-based school.
3. This does not exclude the submission of multiple posters from the same school.
4. Posters can be digital or hand-drawn, but they must all be submitted to rscfoodgroup@gmail.com by end of 31st October 2024.
5. The winners will be announced by 30th November 2024, with the prize session to be delivered in December or January (exact date to be agreed with the winners and health and wellness company, Herbalife).
6. All posters must be original, although research on the topic is encouraged.
7. The name of the student(s), and their school, must be written clearly on the poster.
8. Judging will be carried out by the RSC Food Group, and will be based on
 - o originality of the poster,
 - o clear communication of the message/research, and
 - o relevance to the theme.

Prize: The winning student(s), plus their teacher, will get to spend half a day at Herbalife's Research and Development Lab in Reading, where they'll get to prepare their own shakes and learn how the sensory performance of shakes is assessed. Travel expenses of up to £800 will be covered as part of the prize.
