

RSC Gold

**The most comprehensive
collection of Royal Society
of Chemistry content**

rsc.li/Gold

**Fundamental questions
Elemental answers**

Looking for high quality content from a trusted society publisher?

Created to give your users access to exciting and innovative scientific research, RSC Gold ensures your library users have access to the latest breakthroughs from leaders in academia and industry.

High profile, chemistry-led journals

Access articles in subject areas spanning chemistry and related disciplines:

Analyst	Food & Function	Nanoscale Horizons
Analytical Methods	Green Chemistry	Natural Product Reports (NPR)
Biomaterials Science	Inorganic Chemistry Frontiers	NJC (New Journal of Chemistry)
Catalysis Science & Technology	JAAS (Journal of Analytical Atomic Spectrometry)	Organic & Biomolecular Chemistry
ChemComm	Journal of Materials Chemistry A	Organic Chemistry Frontiers
Chem Soc Rev	Journal of Materials Chemistry B	PCCP (Physical Chemistry Chemical Physics)
CrystEngComm	Journal of Materials Chemistry C	Polymer Chemistry
Dalton Transactions	Lab on a Chip	Reaction Chemistry & Engineering
Energy & Environmental Science	Materials Chemistry Frontiers	RSC Medicinal Chemistry
Environmental Science: Nano	Materials Horizons	Soft Matter
Environmental Science: Processes & Impacts	Molecular Omics	Sustainable Energy & Fuels
Environmental Science: Water Research & Technology	MSDE (Molecular Systems Design & Engineering)	
Faraday Discussions	Nanoscale	

179 years of valuable discoveries

The journals archive contains every article published in our journals since the Chemical Society of London was founded in 1841. Track key scientific advances through history to explore how they are shaping our future.

Exploring eBooks

Read the first chapter of over 1,800 eBooks. Build

your own bespoke eBook catalogue with our diverse range of purchasing options.

International perspective

RSC Gold represents authors, editorial boards and content from over 100 countries.

Go beyond Gold

Access our expanding gold and diamond open access journal portfolio, whether or not you subscribe to RSC Gold:

Chemical Science
Digital Discovery
Energy Advances
Environmental Science: Advances
Environmental Science: Atmospheres
Materials Advances
Nanoscale Advances
RSC Advances
RSC Chemical Biology
Sensors & Diagnostics
RSC Sustainability
Sustainable Food Technology
EES Catalysis
