

# Journal and product information

# RSC Gold

Access to all of our journals, as well as first chapter access to over 1,800 eBooks.

## Subject collections

A range of smaller collections made up of journals in selected subject areas:

### Core chemistry collection

#### Journals included:

- Chemical Communications
- Dalton Transactions
- Journal of Materials Chemistry A, B and C
- New Journal of Chemistry
- Organic & Biomolecular Chemistry
- Physical Chemistry Chemical Physics (PCCP)

**Individual journals**  
Purchase annual access to individual journals for your institution.

**For more information email**  
[sales@rsc.org](mailto:sales@rsc.org)

**Analytical science collection**

**Journals included:**

- Analyst
- Analytical Methods (online only)
- Environmental Science: Processes and Impacts
- Journal of Analytical Atomic Spectrometry (JAAS)

**Journal of Materials Chemistry collection**

**Journals included:**

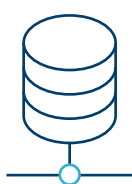

- Journal of Materials Chemistry A
- Journal of Materials Chemistry B
- Journal of Materials Chemistry C

# Knowledge-rich options to complete your collection

**eBooks:** unlimited access to 2,100 titles, as a complete set, by year, by subject or as an archive

**eTextbooks:** 147 in-depth explainers suited to both specialists and newcomers, all in one package

**Journals archive:** 165+ years of research, influential articles and Nobel Prize-winning authors

**The Merck Index *Online*\***: 12,000 monographs and 20,000 compounds in an intuitive interface

**MarinLit:** a database full of trusted, up-to-date sources for marine natural products research

**Magazines:** *Chemistry World* and *Education in Chemistry* (EiC), available in print and online

**Print books:** internationally respected chemical science titles with multiple purchase options
