Sign up for central invoicing

Save valuable time by using our central invoicing system. With central invoicing you can streamline the invoice process on article processing charges (APCs) for gold open access journals, allowing your authors to focus on their research and providing a range of additional benefits to you:

- seamless switching with no added cost
- monthly invoices for elevated transparency of all open access costs
- optional OA switchboard messages for approving article payments
- automatic approval, with no access to OA switchboard required
- author recognition via email domain
