

**Addition of enamines on 3-nitroindole : an unprecedented dearomatizing  
process**

Manuel Andreini, Fabien Chapellas, Sonia Diab, Karine Pasturaud, Serge R. Piettre, Julien  
Legros, Isabelle Chataigner\*

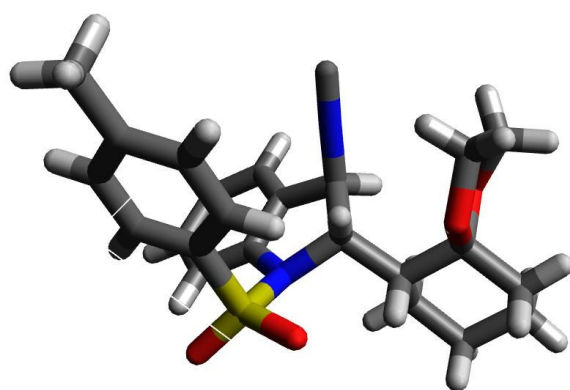

**Supporting information:**

X-Ray structures of **11** and **16**

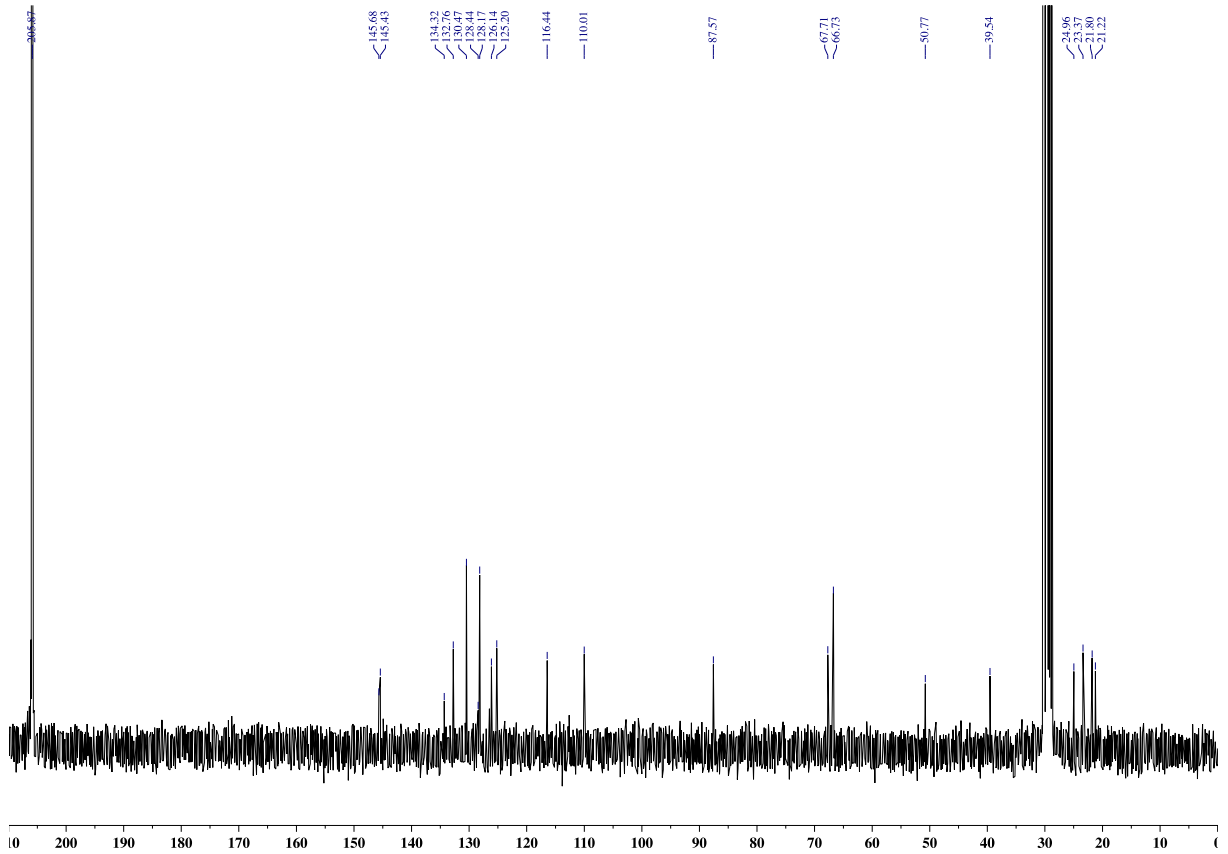

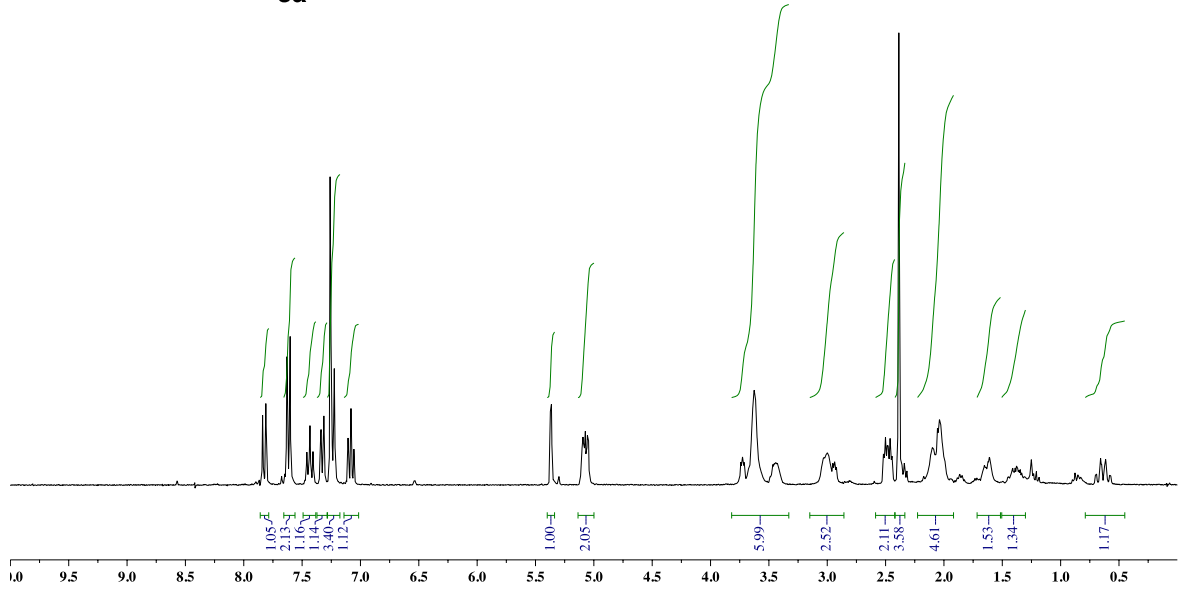

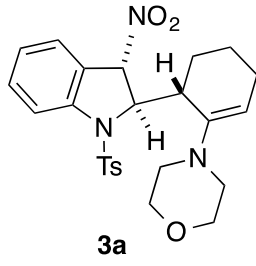

NMR spectra for compounds **3a**, **11**, **13**, **14**, **15**, **16**, **20**.

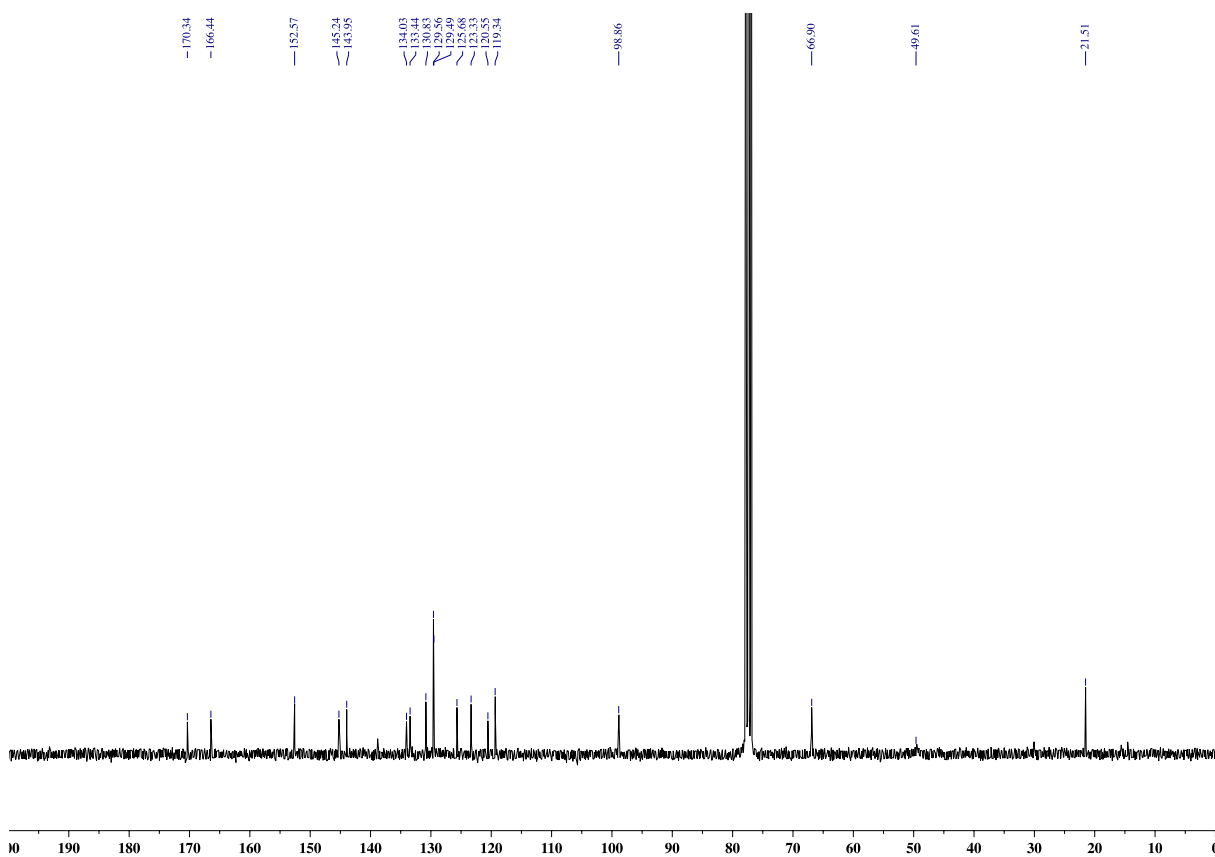

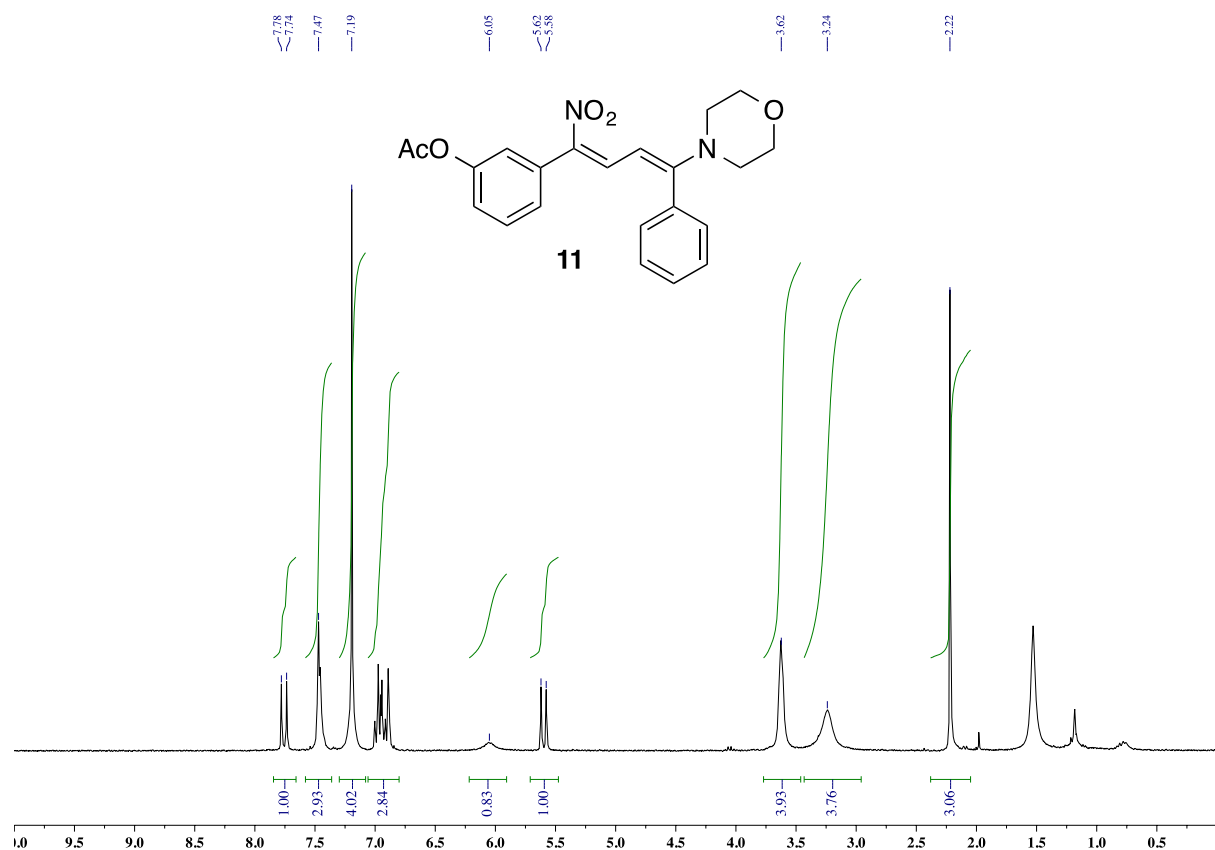

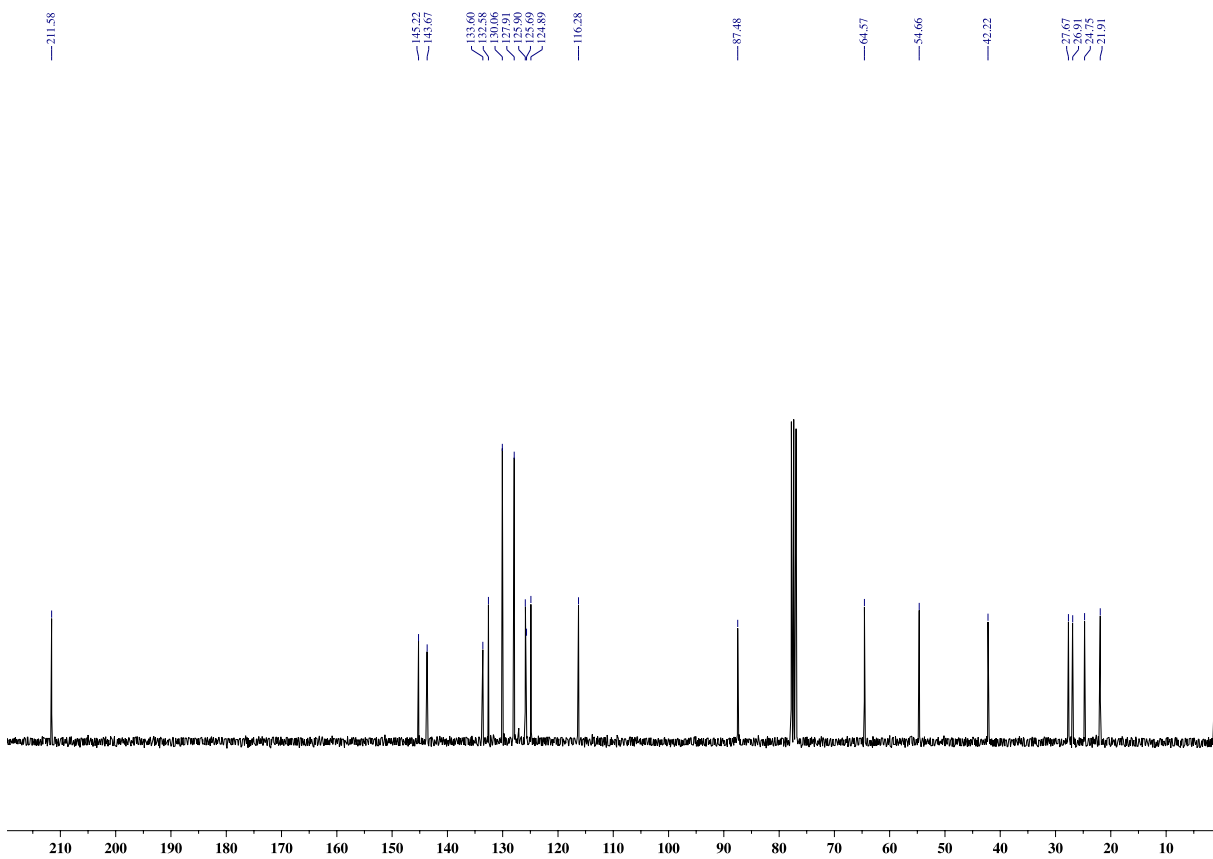

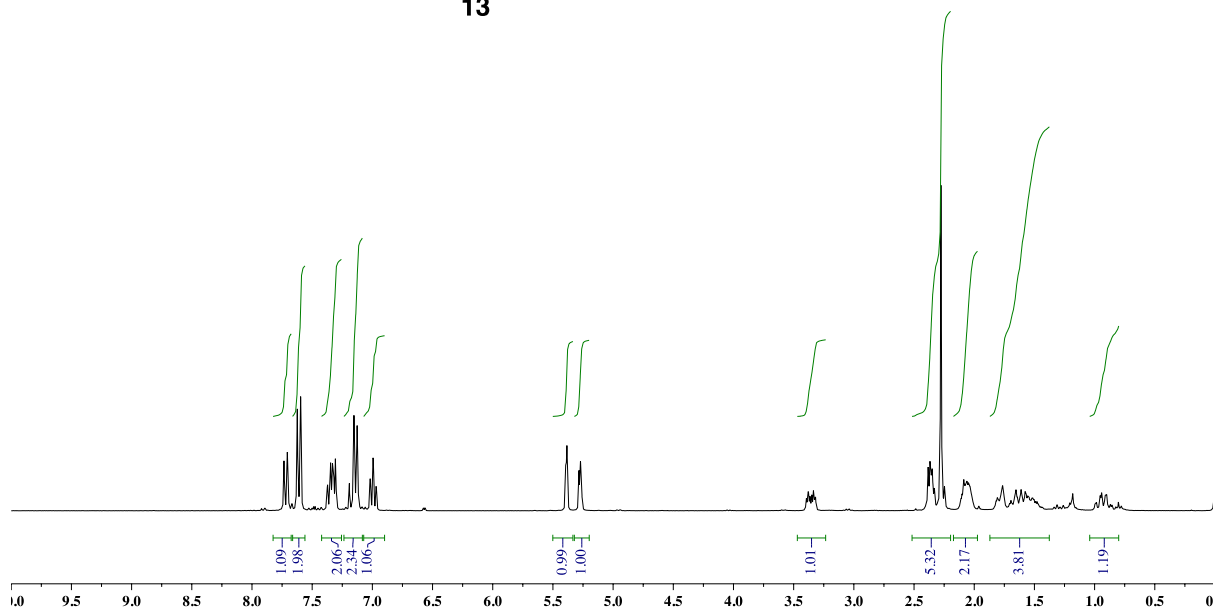

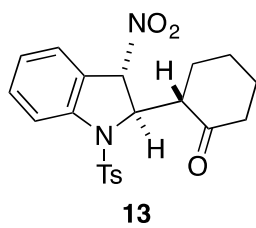

X-Ray structure of phenol **11**

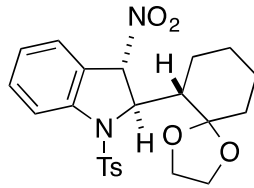

X-Ray structure of indolinoisonitrile **16**

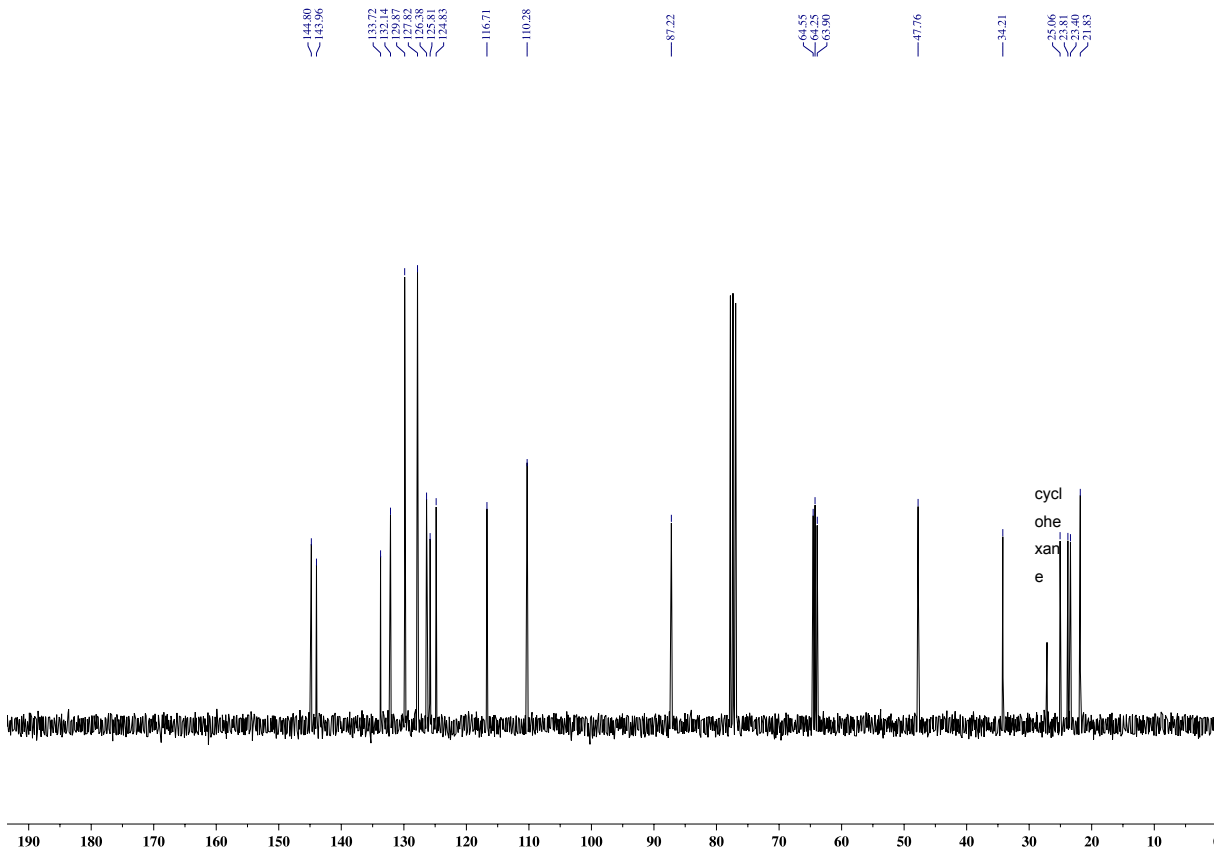

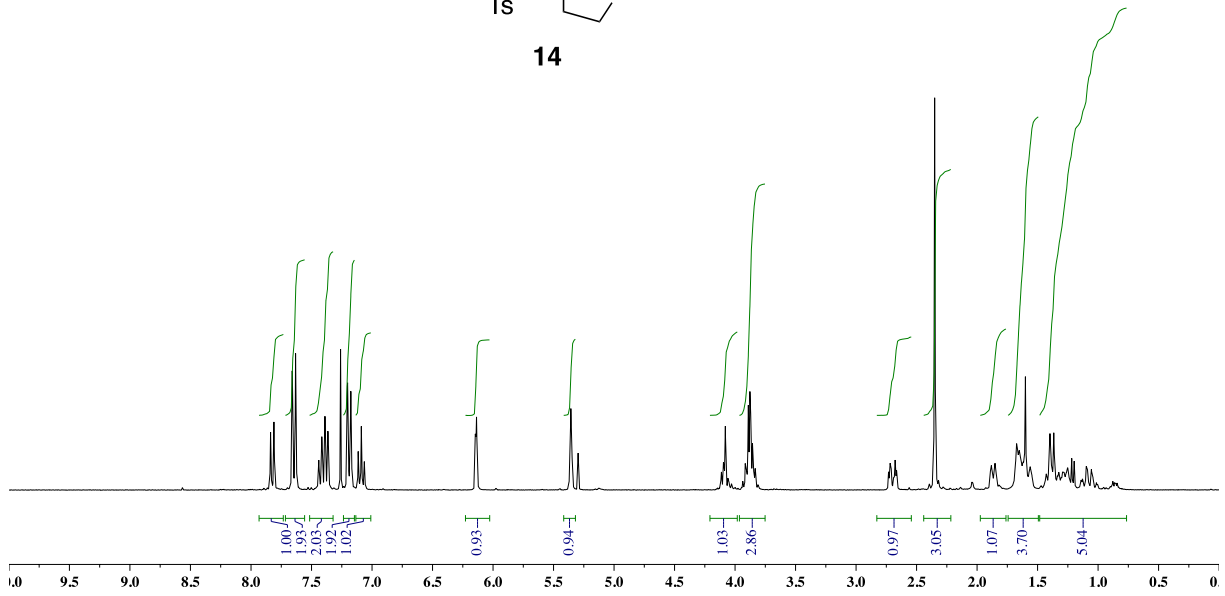

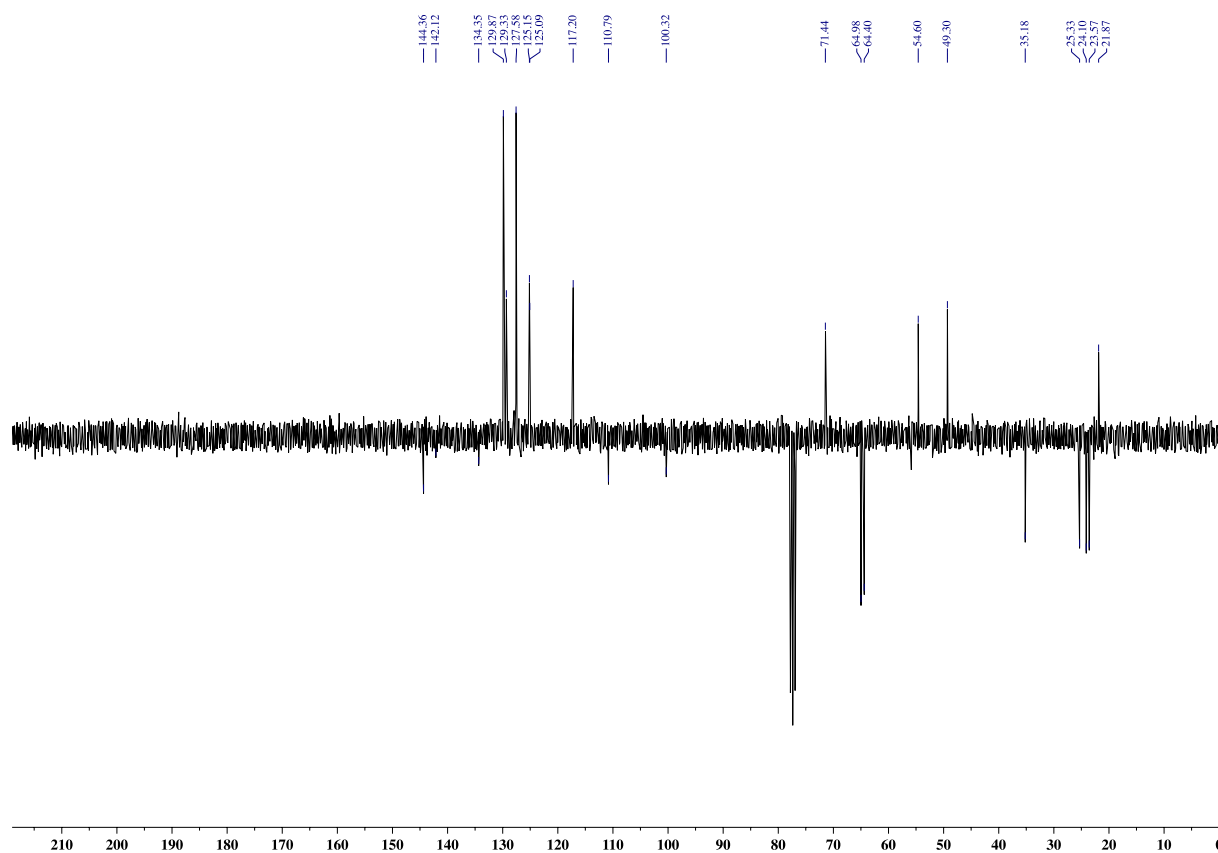

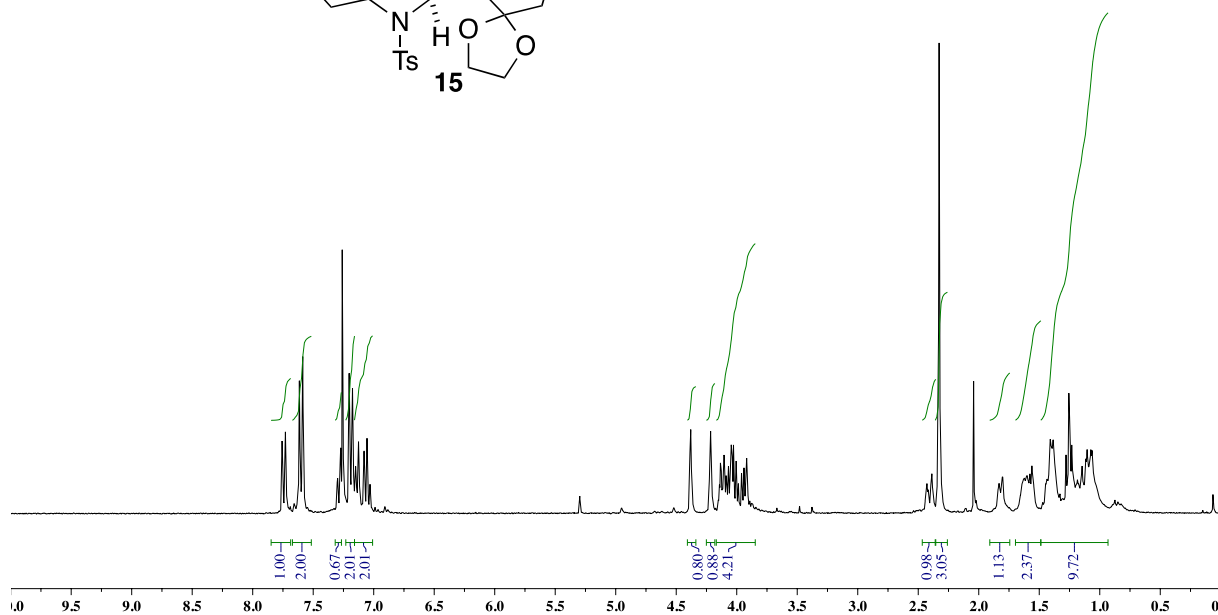

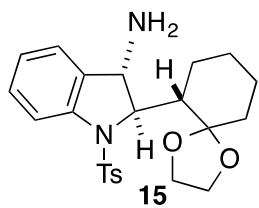

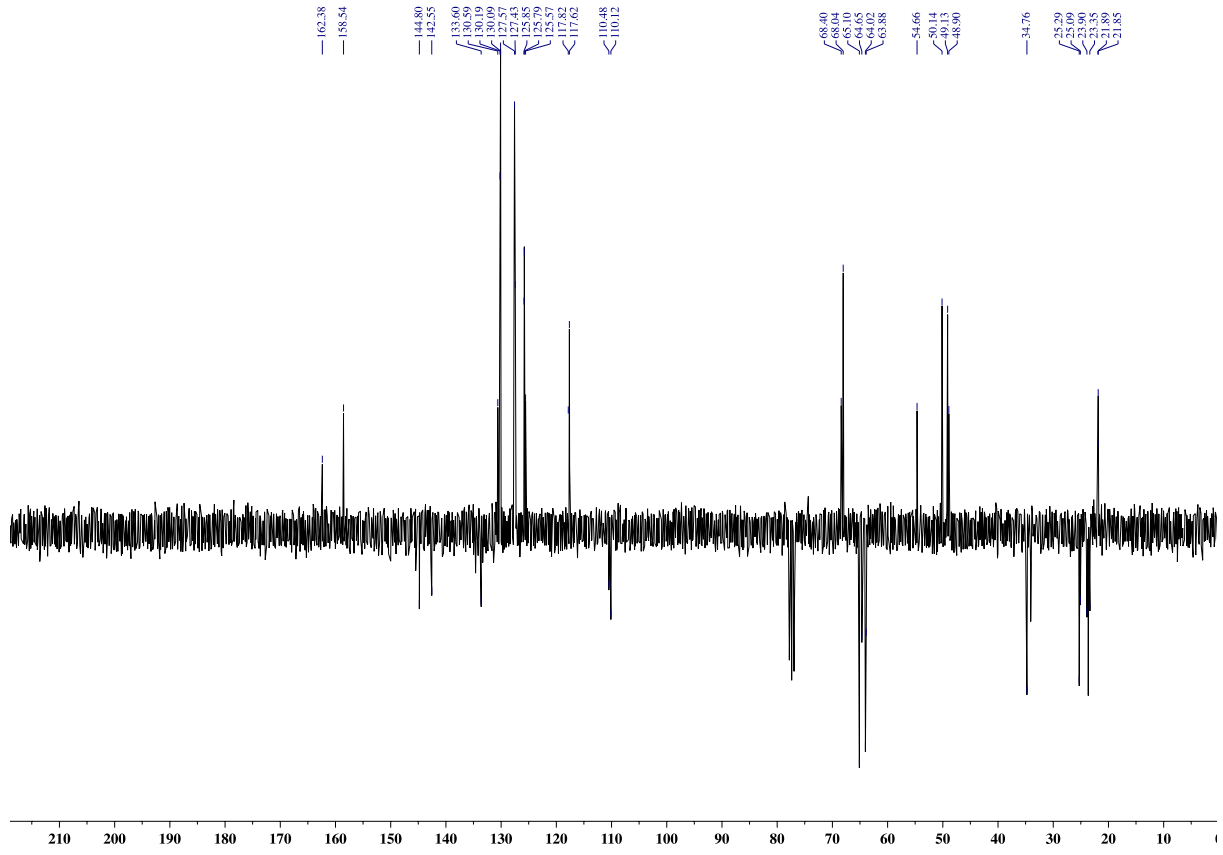

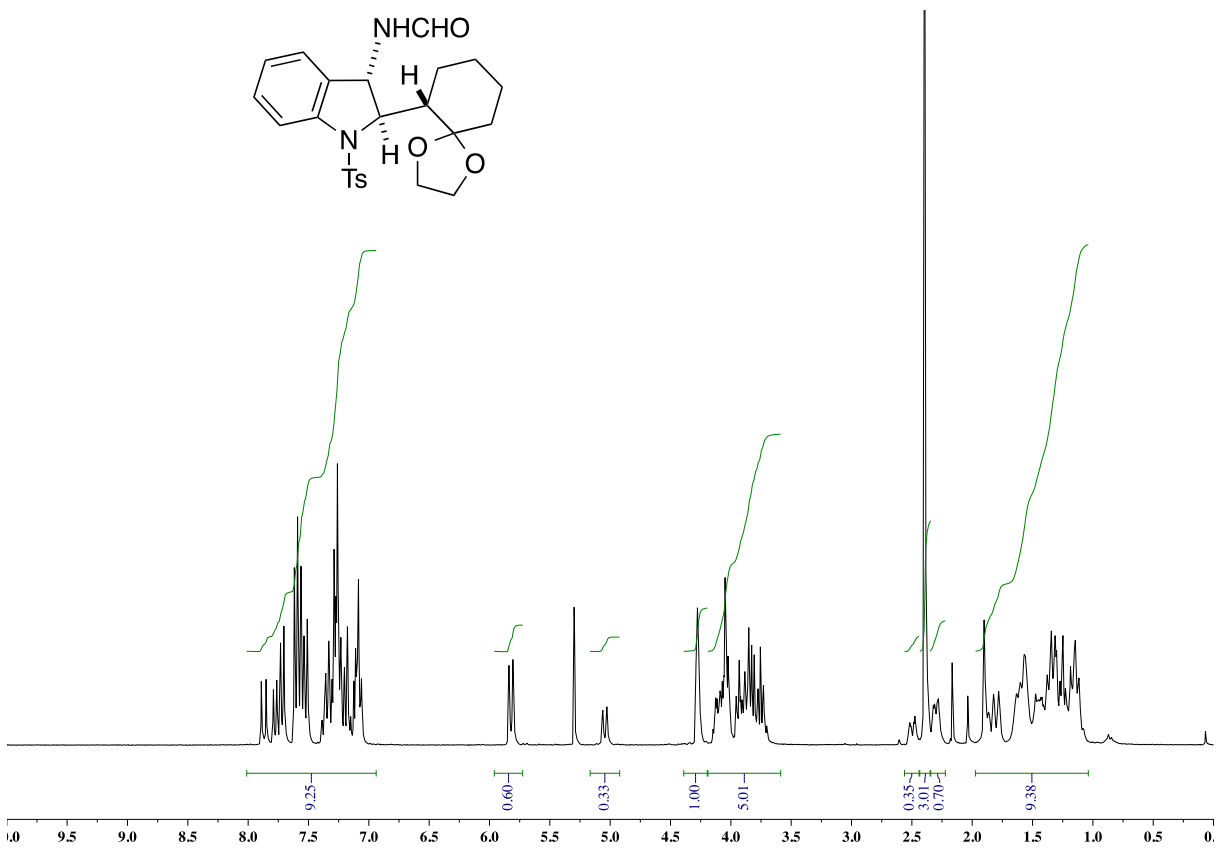

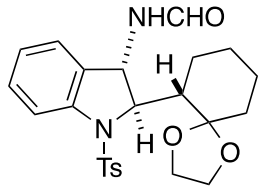

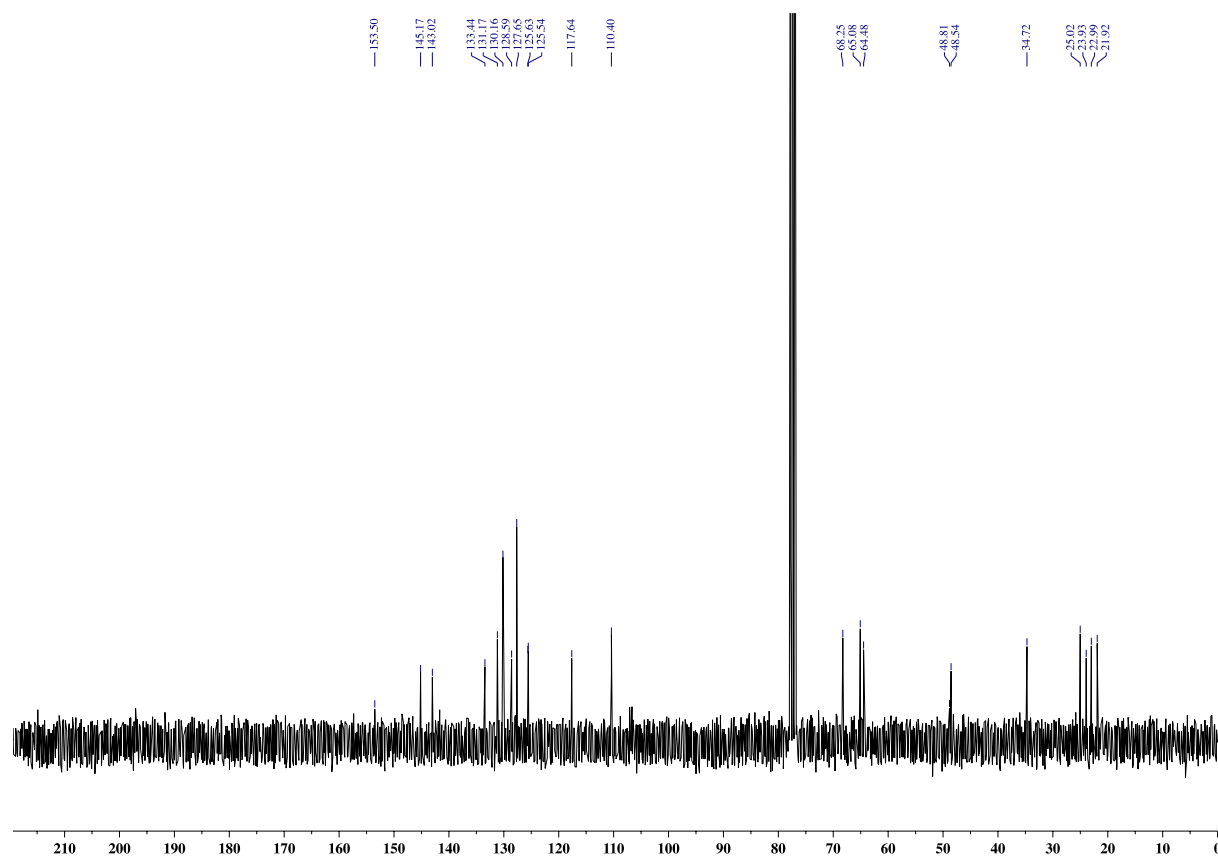

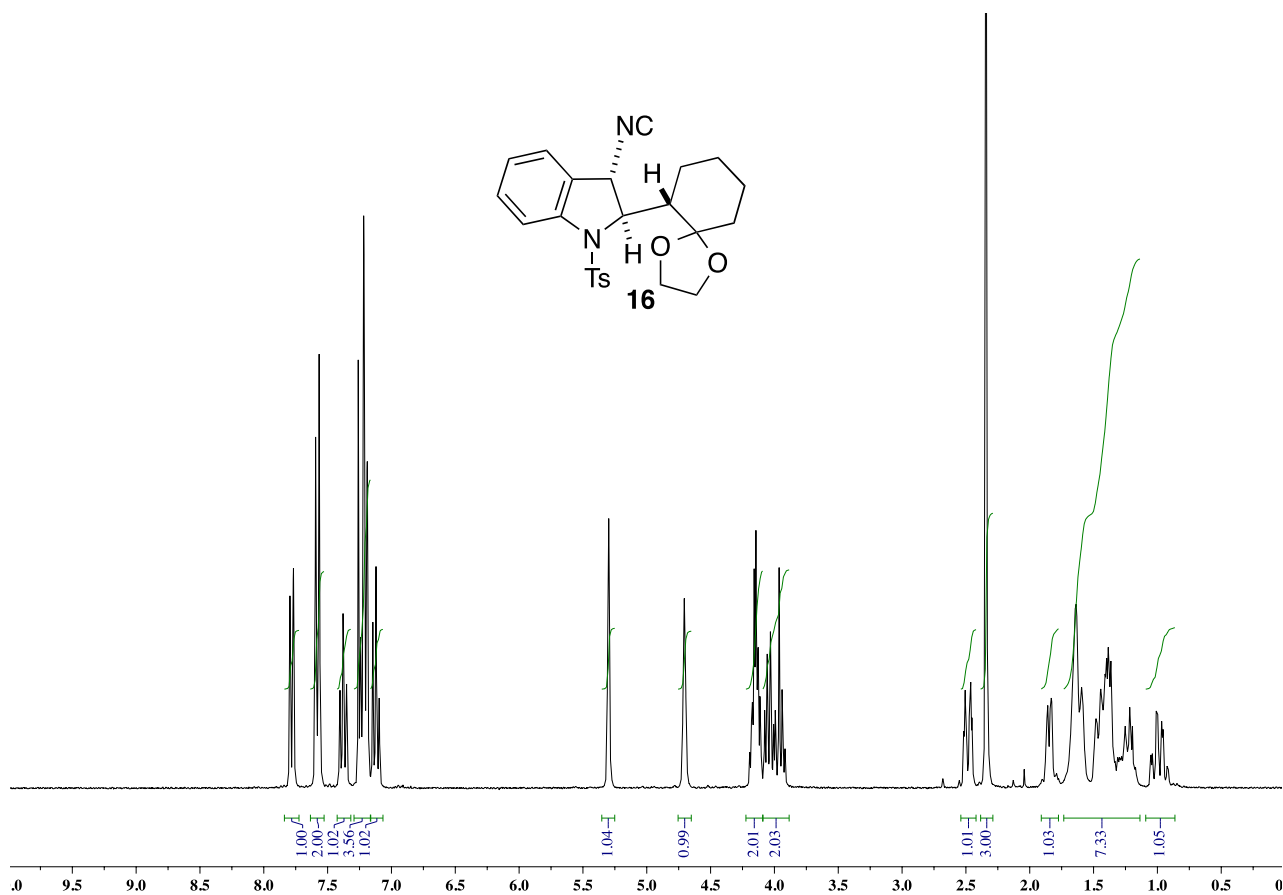

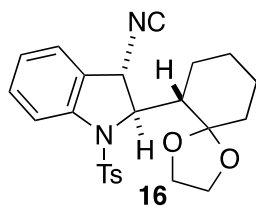

**14**

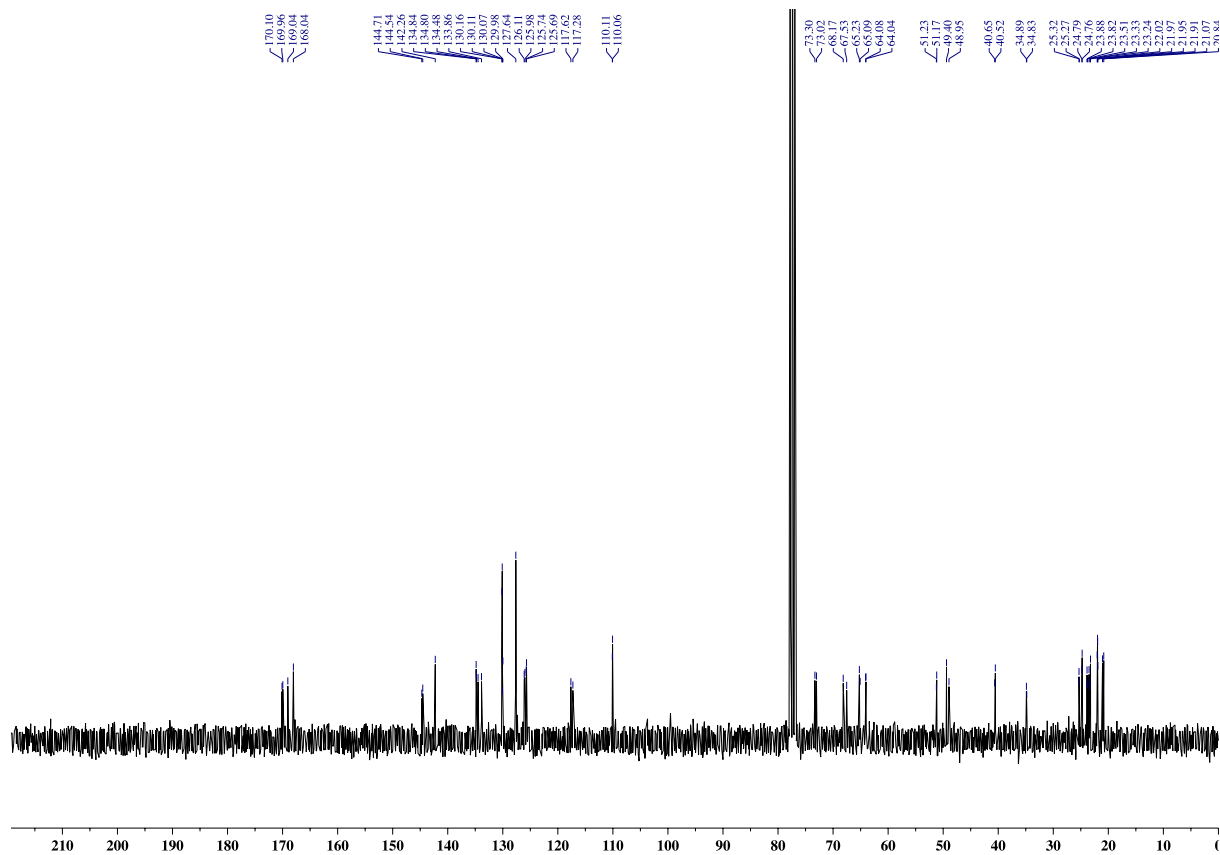

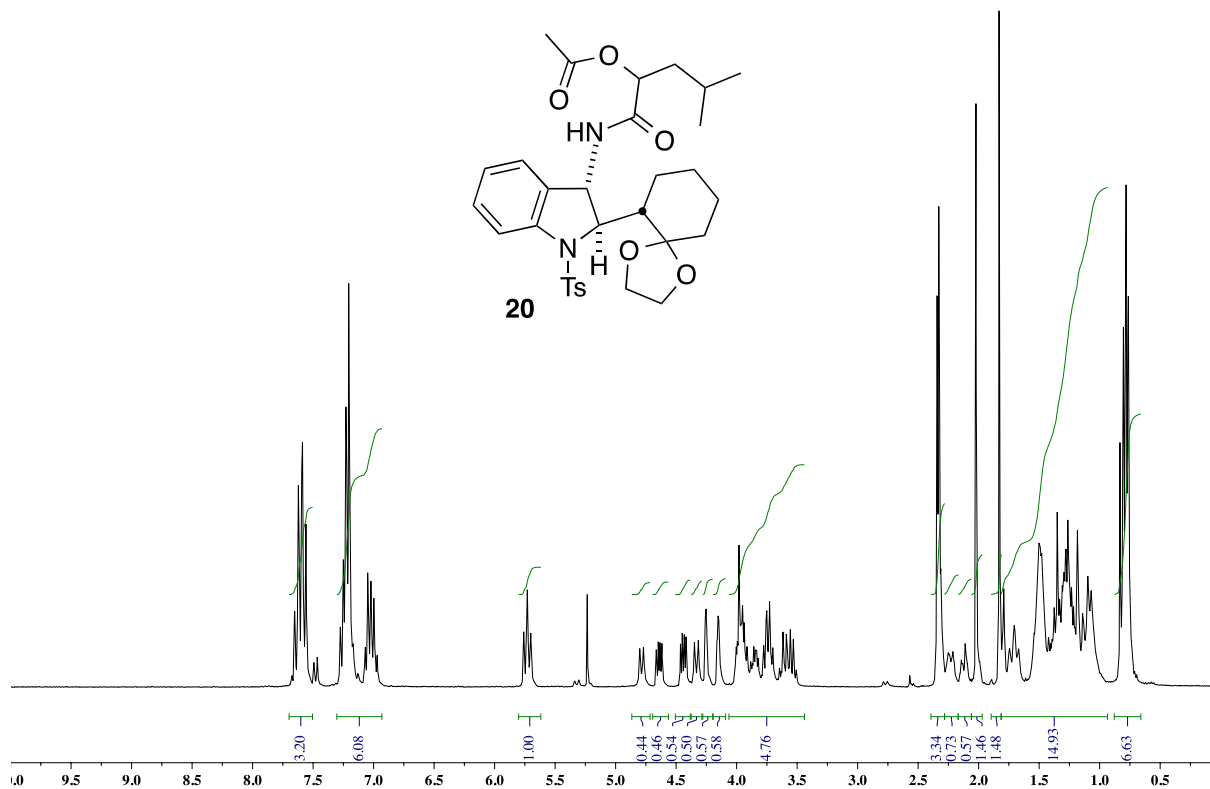

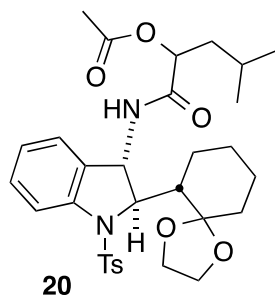

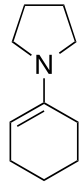

**2b**
