

The Impact of Radical Loading and Oxidation on the Conformation of Organic Radical Polymers by Small Angle Neutron Scattering

Halie J. Martin, Barbara Hughes, Wade A. Braunecker, Thomas Gennett, and Mark D. Dadmun

Supplementary Materials

Supplemental Figure S1: Representative CVs of PTMA-20 (red circles), PTMA-60 (blue squares), and PTMA-100 (black diamonds).

Supplemental Figure S2: GPC traces of PTMA samples.
