

Supplementary materials

Polymorphs of aromatic thiolato 1, 2 or 1,4-naphthoquinones

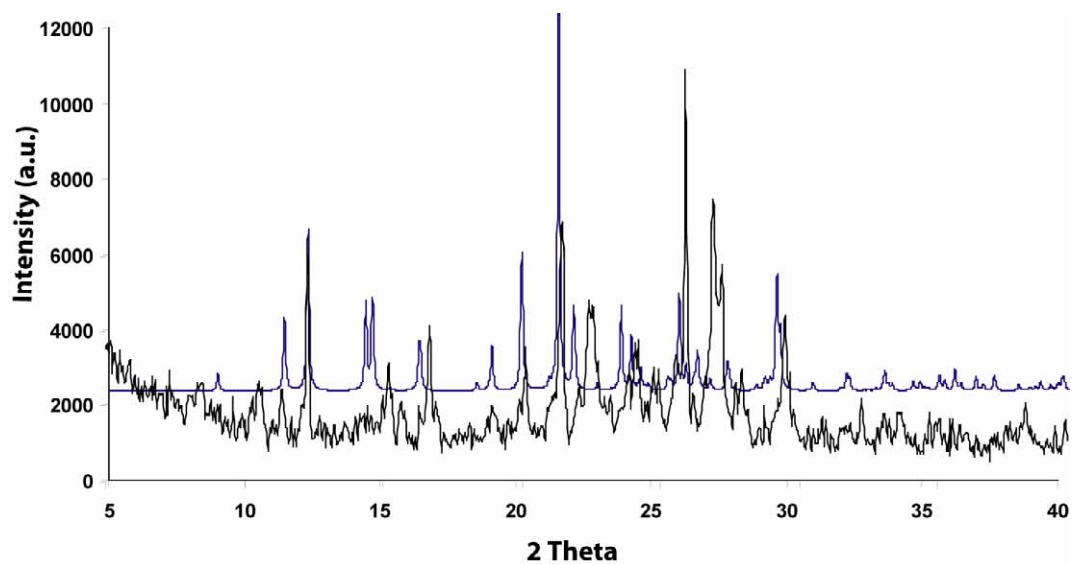

Fig : PXRD patterns of polymorph 1 (black = experimental, blue = simulated).

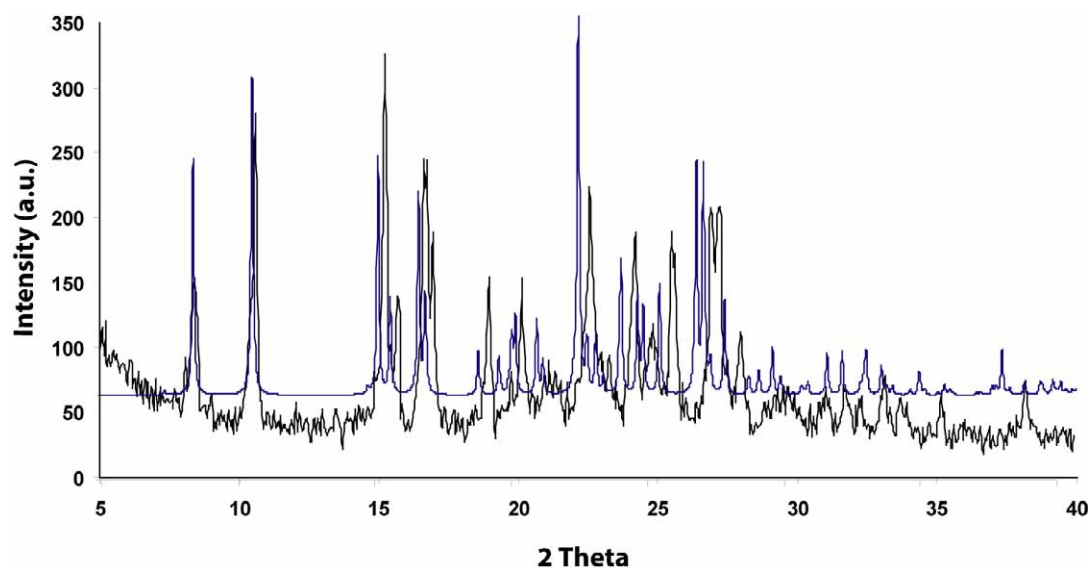

Fig : PXRD patterns of polymorph 2 (black = experimental, blue = simulated).

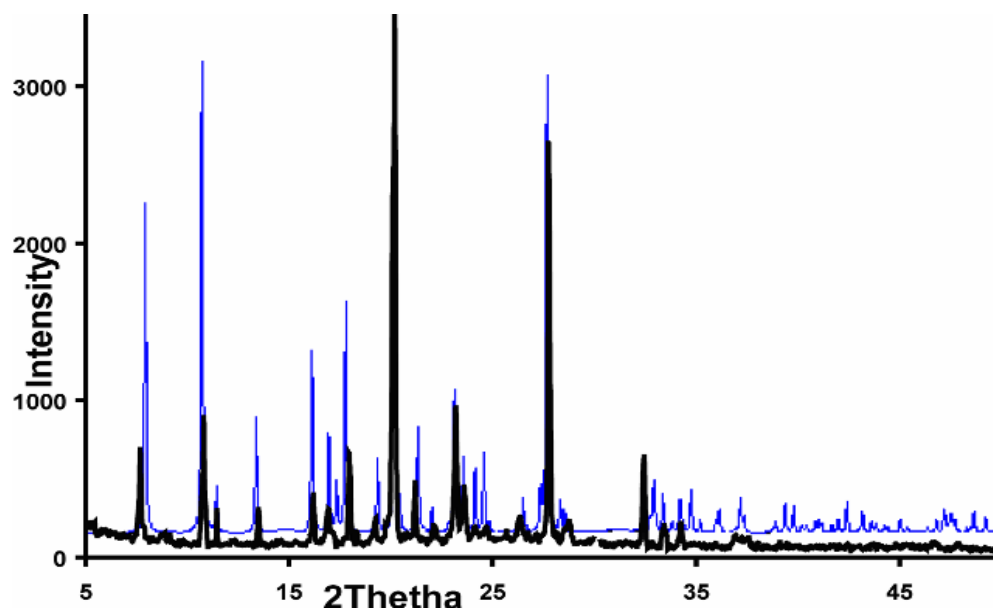

Fig : PXRD patterns of polymorph 3 (black = experimental, blue = simulated).

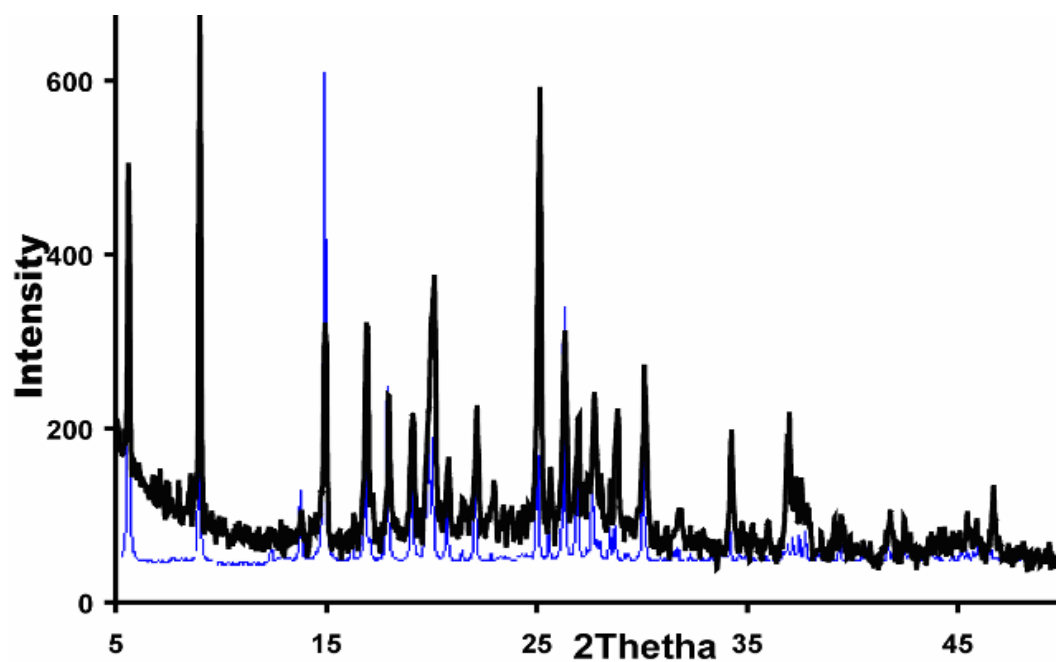

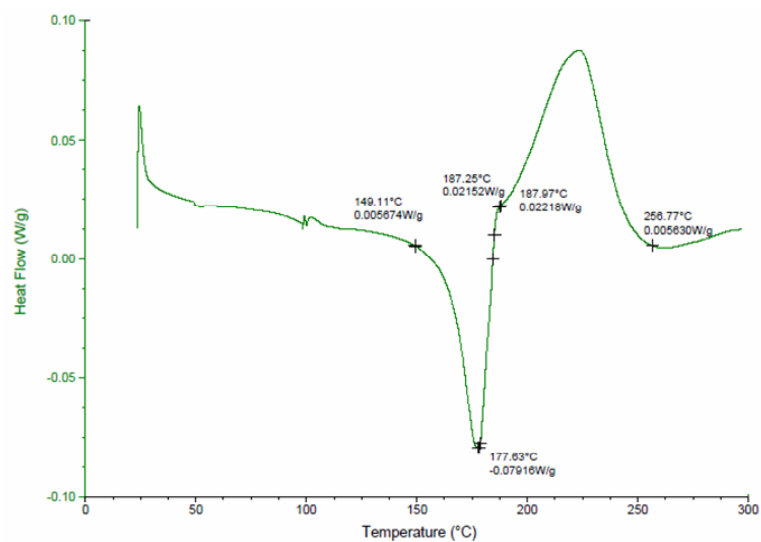

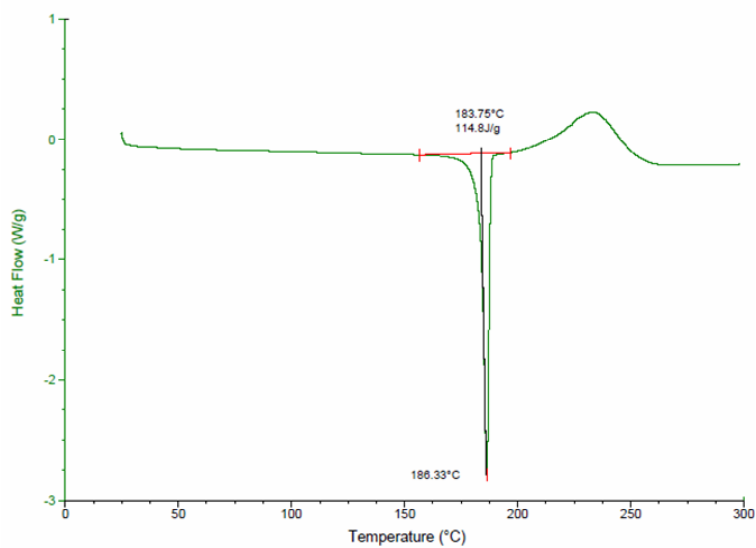

Fig. Powder diffraction pattern of polymorphs 4 (black = experimental; blue l = simulated)

Differential Scanning Calorimetry

Polymorph 1

Polymorph 2

Fig: Differential Scanning Calorimetry of the polymorphs 1 and 2
